GROWING NEW ZEALAND ACCOMMODATION

GROUP PORTFOLIO

We are proudly NZ owned

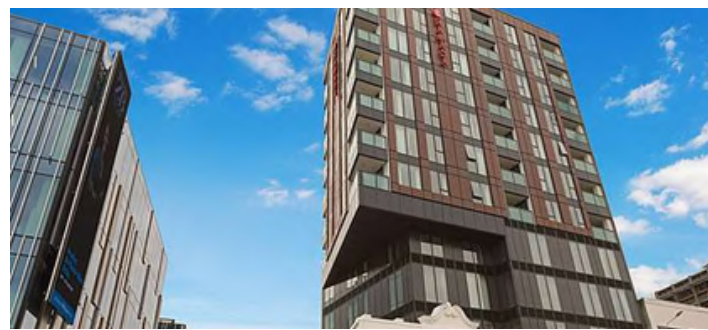

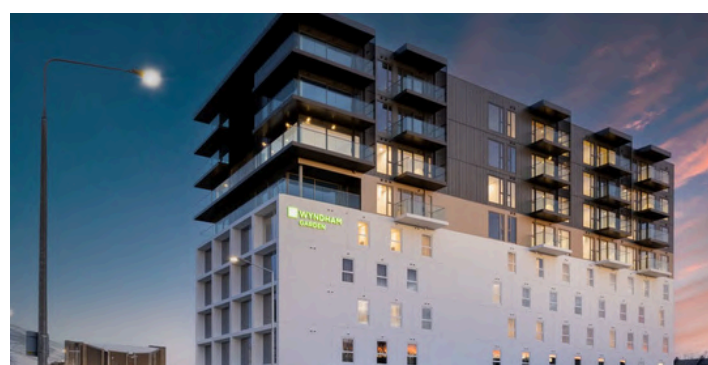

Marsden Hotel Group own and operate a portfolio of 4-5 star, successful accommodation businesses throughout New Zealand while also providing independent consultancy and property management services to the industry. With affiliated partners, we feature brands such as Marsden Hotels & Resorts, Ramada by Wyndham, Wyndham Garden and Microtel by Wyndham.

We gave life to the name Marsden out of respect and admiration of the achievements of the late great Reverend Samuel Marsden who lived 1765 - 1838. Marsden was a man who was admired by many on both sides of the Tasman. As a visionary with strong commercial acumen, great relationship skills and genuine love for people, he exemplified how strategic thinking can help communities prosper.

Marsden Hotel Group was established in September 2008. Our people are our greatest asset and it's the inspiration from our people, their ideas, energy and vision that drives our business forward.

From humble beginnings, we established a team with diverse talent and experience. Our vision is to provide an enjoyable accommodation experience for all guests supported by a level of service in hospitality that cannot be surpassed.
